Lakeshore Cabin General Policies

Welcome to Lakeshore! We kept the rules short so you can get back to the lake. A little consideration goes a long way toward keeping this place clean, peaceful, and fun for everyone.

Check-In & Check-Out

- **Check-in:** 4:00 PM to 9:00 PM
- **Check-out:** 10:00 AM

Your cabin has keyless touchpad entry. We'll program a personal entry code for your reservation, and it activates at check-in.

Before you head out: We're so thankful to be your hosts. These few small things are a big help to our hardworking team:

- Wash all dishes or start the dishwasher.
- Put used towels on the bathroom floor..
- Round up the remotes (TV, A/C, lights, and fans) and leave them somewhere visible.
- Leave the beds unmade. No need to strip them.
- Make sure any campfire is completely out.

Need a little extra time to pack up? You get a 30-minute grace period. After that, late checkout is $50 per hour for all cabins. Guests still here after 1:00 PM on their departure date will be charged an additional night's stay.

Property Gate

The front gate stays open during office hours. After hours, it's closed with a chain but not locked. If you come or go after hours, please close it behind you. It keeps things private and cuts down on drive-through traffic.

Parking & Visitors

One vehicle is included with each reservation. Additional vehicles park in the overflow area across North Ennis Lake Road for $5 per day.

Having friends over? Great, here's what they need to know:

- All visitors check in at the office for a visitor parking pass, and you'll need to confirm they're with you.
- Daytime visits between 8:00 AM and 9:00 PM are free.
- Staying past 9:00 PM counts as an overnight visit, and the overnight fee is $15 per vehicle, not per person.

Pets

Your pup is welcome at Lakeshore! To keep everyone happy:

- Up to 2 dogs per cabin. Dogs only, please.
- The pet fee is $25 per dog, per day. We do not charge for service animals.
- Leashes stay on whenever your dog is outdoors or in common areas.
- Please scoop the poop. Bags are at the pet stations around the park, and waste goes in the designated bins.
- You're responsible for any damage your pet causes to Lakeshore property.

Thanks for helping us keep Lakeshore clean, safe, and enjoyable for all guests!

Be a Good Neighbor

Everyone came here to enjoy the same lake, so please:

- Keep the noise down throughout your stay, not just during quiet hours.
- Watch out for kids at play.
- Keep your area clean and tidy. Need more room? Ask us about storage units.
- Keep children under 12 with an adult at all times.

Property Rules

Protect the grass. We work hard to keep it green.

- No door mats on the grass.
- No parking on the grass.

Leave the trees alone. Hammocks, decorations, and other items may not be hung or attached to trees.

Wind Advisory

Ennis Lake is known for its unpredictable winds so keep a close eye on your awnings and skip the tents. Tents and tent structures are not permitted. Shade canopies are fine while you're actively using them, but be aware of the wind. It doesn't ask first.

Be smart with fire.

- Leave fire rings where they are.
- Put out all fires completely after each use.
- Fireworks are strictly prohibited.
- Check with the office for fire restrictions.

Keep the remote controls at home. Drones, cars, motorcycles, trucks, and all other remote-controlled vehicles are prohibited anywhere on Lakeshore property.

Quiet Hours

Quiet hours run from 10:00 PM to 8:00 AM. Please limit disruptive noise so everyone can get a good night's sleep.

Trash

The dumpster is across North Ennis Lake Road. Enter through the side gate with the orange handle, and you'll find it on your right.

Lake Access

Communal lake access is just west of the marina. For everyone's safety, please do not swim or access the lake near the boat launch or boat slips.

- Keep a close eye on children near the lake.
- Life vests are available upon request.
- Please dispose of all trash properly and help keep the lake area clean.
- Ask the office about boat slips, the boat launch, and water sports rentals, or check our website for details.

All lake activities are at your own risk.

Damages & Maintenance

Something break or stop working? Tell the office as soon as possible, whether it's an accident, damage, or a maintenance concern, so we can get it resolved quickly.

For damage to a cabin, up to $250 may be held at the company's discretion.

Cancellation Policy

- **At booking:** A deposit equal to one night's stay is due. It applies toward the total cost of your reservation.
- **More than 15 days before arrival:** Cancel for a full refund of your deposit, minus the nonrefundable 3% processing fee and $3.50 reservation fee.
- **15 days before arrival:** Your remaining balance is due in full.
- **Within 15 days of arrival:** Your reservation is fully guaranteed and nonrefundable.
- **Medical emergencies:** Exceptions may be considered if a medical emergency requires you to cancel within 15 days of arrival. Documentation may be requested, and any exception or refund is at the manager's discretion.

Questions about cancelling? Please contact our office directly.
